CALL FOR APPLICATIONS

If you're interested in applying for the ML Mentorship Academy's 4-month mentorship program for startups, here's what you need to do:

1. **Eligibility Criteria:** Your startup must meet the following criteria to be eligible for the program:
   - Must be a registered organization/company.
   - Should have been registered for at least 6 months.

2. **Application Process:** Prepare an application letter that includes the following information:
   - Brief introduction of your startup.
   - Explanation of why you believe your startup would benefit from the mentorship program.
   - Overview of your current business status, challenges, and goals.
   - Any relevant achievements or milestones your startup has accomplished so far.

3. **Application Submission:** Send your application letter to the provided email address. Make sure to include all the necessary details and contact information so that they can reach out to you easily.

4. **Program Benefits:** If your startup qualifies for the program, you will receive the following benefits:
   - 4 months of business coaching and mentorship.
   - Creation of a 5-page website for your startup.
   - Development of a company profile.
   - Assistance with creating a business plan.
   - Creation of a business profile.
   - Access to exciting networking opportunities.

5. **Important Dates:** Be aware of any deadlines for application submission and program commencement. Ensure you submit your application on time.

6. **Follow-Up:** After submitting your application, be prepared for potential follow-up inquiries or interviews from the ML Mentorship Academy. Make sure to check your email regularly and respond promptly.
